The Moondance bartenders are renowned for concocting many favorites such as Old Fashioneds, Manhattans, Margaritas and others. Let them know what you would like and see what they whip up for you!

The Moon Dance Bar & Grill was opened in January of the year 2000. For several years prior to opening, Gloria and Brad Hanson have searched for a small community in the Northwoods that would support a restaurant and bar where only the finest foods available were served in a simple fashion. The theme of The Moon Dance is a very casual elegance where all people can feel comfortable and enjoy good conversation, great food and drinks with a terrific view of Mill Lake. The name Moon Dance was inspired by the song written by Van Morrison in conjunction with the natural northwoods setting where we are located.

We hope you will find your experience with us to be very fulfilling. If you sit back, relax and enjoy yourself you may even experience a little Moon Dance magic.

Moondance accepts Cash, Visa/Mastercard and Discover for payment. There is an ATM on-site for your convenience. Service can be improved by combining the total for the table. Separate checks can be prepared if necessary.

Thanks for visiting with us and come back soon!
